Job Ad: Truck & Trailer Licensed Mechanic

Location: Grand Falls, NB

We currently have an immediate opening for a full-time position of **Licensed Truck & Trailer Mechanic**.

This position is responsible to inspect, find problems, repair and service mechanical, electrical and electronics systems and components in trucks for the company.

Specific responsibilities include:

- Reviewing work orders and discussing work required with supervisor
- Adjusting, repairing or replacing parts and components of commercial transport truck systems including chassis, frame, cab, body, engine and drive train, air brakes, steering, and fuel, hydraulic, electrical and electronic systems
- Adjusting, repairing or replacing parts and components of truck-trailer systems including structural, brake and electrical systems
- Testing and adjusting repaired systems to manufacturer's performance specifications
- Performing scheduled maintenance service, such as oil changes, lubrications and tune-ups
- Advising supervisor on work performed, general vehicle conditions and future repair requirements
- Performing weekly cleaning of shop
- Following all safety procedures

To be considered for this position, you must:

- Have at least 1 year of experience as a licensed mechanic
- Have sound knowledge of engines and mechanical troubleshooting along with preventive maintenance, diagnosis and repair
- Experience working with different software applications
- Must be fluently bilingual
- Have own tool box

We pride ourselves on our excellent company culture, state of the art facility, and a clean and safe working environment. We offer our employees competitive wages based on experience and a benefits package which includes an allowance for tools.

If this position appeals to you and you bring the right combination of education and experience, we would like to explore this exciting opportunity with you. Please submit your resume and cover letter by email to katydeshaies@gmrioux.ca

We thank all applicants; however, only those to be considered for an interview will be contacted.
